## Hooves

Fold the arm in half lengthwise and work a gathering thread along the cast-on edge, pulling it tight. Sew the seam up to the cast-off edge and stuff the arm. Use yarn B to pierce the hand (cast-on end) just as you did for Shaun's hoof to shape it.

Attach the cast-off end of the arm to the body.

## Hands

For Timmy's Mum, or any of the standing sheep, you can make the hooves look more like hands: follow the instructions below. Note that the seam will be on the palm side. Sew edges to differentiate the fingers.

Insert wire if desired.

*This is how the hand piece will look when knitted.*

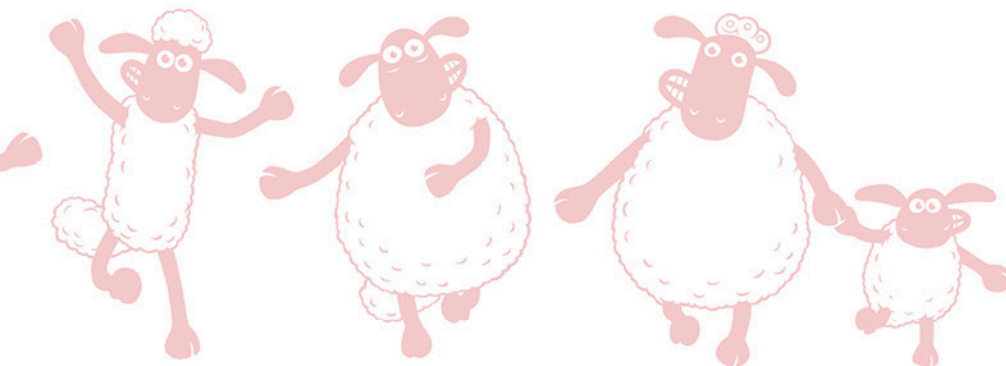

*Fold the hand in half horizontally and sew the first and second cast-off edges together.*
